

Language Enhancement

COOKING WORKSHOPS

for Primary School Students

(Prep - Grade 4)

Holiday Program

Word By Mouth's **Language Enhancement Programs** are specifically designed to assist **children** to communicate more effectively and confidently with their family and peers while also having fun in a range of group activities. In addition, our programs are designed to facilitate language comprehension, following instructions and social communication.

The specific aims of this program are:

- To facilitate **language comprehension and following instructions**;
- To increase the chance for **connecting with peers**;
- Building **collaborative skills** in a **neurodiverse affirming** way
- To build **perspective taking skills**;
- To develop the skills for **self-advocacy**, to support opportunities for community participation and learning.

We believe in affirming practices and creating a supportive and inclusive environment where all members can thrive. Participants will be placed in groups with similar aged peers, to encourage confidence and participation.

Small groups
(maximum of 5)

1.5 hour sessions
conducted over 3
consecutive days

Cost: \$880
